Remembrance Sunday

We always have a great turn out every year for the Remembrance Sunday parade. Please make sure that all the badges your young people have earned are proudly on display (and in the correct spot!) ready for the Tuesday before Parade.

Details will come out closer to the date. Any that know they won't be there please let your section leader know in advance. Taking place on the afternoon of Sunday 10th November.

Beaver Parent Rota

As the number of young people in the group increases, parental support is a massive help and key to continuing to deliver safe and enjoyable activities. Speak to Kerry if you are able to help at our weekly meetings.

Easyfundraising

Leader Profile- Karl, Scout section team member

Day job - Iceland Store manager

Started Scouting in 1993

Got into scouting when he started as a Beaver, his parents wanted to get him out of the house. Ended up having his dad join as well.

Favourite part about being a leader is getting to take the lead in the fun activities that he took part in as a youth.

Leader Profile- Kay, joint Group Lead volunteer

Day job - Trade Union Representative

Started Scouting in 2001, joined Walsall Wood scout group in 2010

Got into scouting by accident

Favourite parts about being a leader are the different opportunities and travelling the world with new people in different Scout groups.

Squirrel Squeak.

We are super excited to be welcoming the Animal Man in October. Later in the year we will be getting all festive by singing carols at a care home.

With our visit the fire station being brought to an abrupt end before it began, we hope to be back soon.

Beaver Business

The colony is at full capacity, and we are welcoming parental support to ensure safe and active activities.

We had a really successful sleepover after visiting Dudley Zoo back in April. We are looking forward to hosting the Animal Man with Squirrels and visit from the Police.

Scout Social

Scout camp was an absolute blast, enjoyed by all young people and leaders. A mixture of old hands and new faces, all pulling together for a great week. Plans already started for next year, dates set, venue chosen, see website diary for details!

Cub Chat

If you've done the summer library reading challenge - let us know as you can have your book reader badge! Swimming badges can also be checked to meet badge criteria. We are looking forward to visiting a place of worship and attending the district winter event in November, details to follow.

Explorer Events

During the autumn and winter, the Explorers will be bravely taking on the motorsports badge.

As well as hosting the second district silent disco night in December.
